

**DOCUMENT SERVICES MANAGEMENT INCLUDING
AVAILABILITY REPORTING OF DOCUMENT
DISTRIBUTION SERVICES**

Abstract of the Disclosure

A system and method of managing document distribution services of a plurality of document distribution providers includes registering the document distribution services, identifying at least one resource for each of the document distribution services, and monitoring an availability of the at least one resource for each of the document distribution services. As such, identifying at least one resource for each of the document distribution services includes defining at least one attribute of the at least one resource and monitoring the availability of the at least one resource for each of the document distribution services includes recording a status of the at least one attribute of the at least one resource.
